**PETITION TO REVIVE
AN UNAVOIDABLY ABANDONED APPLICATION
UNDER 37 C.F.R. 1.137(b)**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. 1.137(b), Applicants respectfully request that the above-identified application be reinstated to a pending status. Attached is a Response to the Notice to File Corrected Application Papers mailed October 23, 2001, and a Change of Mailing Address.

The original October 23, 2001 mailing of the Notice to File Corrected Application Papers along with the mailing of the Filing Receipt were never received by the attorney of record and the application was unavoidably abandoned, although a Notice of Abandonment has not been received. During this time frame, the attorney of record was in the process of relocating their offices and were no longer located at the mailing address of the October 23, 2001 mailing. Only upon checking for the status of a first Office Action was it discovered that there was a response to the Notice to File Corrected Application Papers due to the U.S. Patent and Trademark Office.

02 FC:1452 110.00 DA

If the Patent and Trademark Office determines that the abandonment was not unavoidable, it is requested that this be considered as a request to revive an unintentionally abandoned application. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

The Commissioner is hereby authorized to charge all fees associated with this petition and response and any additional costs or credit any overpayment to Deposit Account No. 50-2036.

Respectfully submitted,
